### Description

This precision cleaner brings the future of industrial maintenance to your workplace today. This zero VOC formula makes use of the latest innovations in solvent chemistry resulting in a high purity, no-residue, fast dry formula.

Use Eco-Spray ZV-2 to clean metal and composite surfaces. Unlike high VOC solvents such as MEK, citrus terpenes, and n-propyl bromide, Eco Spray ZV-2 is able to perform a variety of cleaning jobs without contributing to the formation of photochemical smog. Eco Spray ZV-2 is particularly effective at removing silicone oil and grease contaminants.

### Benefits

- Evaporates quickly
- Low toxicity
- No ozone depleting solvents such as HCFC-141b
- No halogenated solvents
- Leaves absolutely no residue
- Safe on all metals and other critical surfaces\*

### Applications

Eco-Spray ZV-2 quickly and easily removes dirt, dust, light oils, grease, flux and other deposits from metal surfaces. Simply spray to flush off soils and surface will air dry in seconds.

\*We suggest that you always test critical surface compatibility or call us for tech support.

### Key Physical Characteristics

<u>Property</u>	<u>Typical Value</u>
Boiling Point	212 ° F.
Appearance	Clear, Colorless Liquid
Evaporation Rate (nBuAc=1)	> 2.5
Flash Point, Tag Closed Cup	Approx. 0° F
Odor	Mild
Solubility in Water	Moderate
Specific Gravity (H2O=1)	0.783
Vapor Density (Air=1)	>1
Vapor Pressure (mm Hg):	Approx. 116 @ 25°C
VOC Content	Exempt compound (0 gm/L)

### Safety and Handling Precautions

Eco Spray ZV-2 is a flammable material that should never be used around open flames, (welding torches, for example). Always use with adequate ventilation. Rubber gloves are recommended. Place rags in a metal sealable container after use to avoid possible spontaneous combustion. Keep container closed. Avoid excessive contact with fumes or liquid. Treat this chemical with respect and follow all MSDS instructions.

### Packaging

<u>Product Name</u>	<u>Part No.</u>	<u>Packaging</u>
Eco-Spray ZV-2		55 Gallon Drums
Eco-Spray ZV-2		5 Gallon Pails
Eco-Spray ZV-2		4 x 1 Gallon Cans
