Description

An excellent replacement for HCFC-141b based contact cleaners. Unlike many contact cleaners that contain significant levels of alcohol and other VOC's, ECOLINK 3005 Aerosol is composed of 100% VOC exempt compounds. It evaporates very quickly and leaves absolutely no residue. These performance characteristics, combined with excellent plastic compatibility, make ECOLINK 3005 Aerosol an ideal electrical contact cleaner.

Benefits

- Non-Flammable
- Rapid Evaporation
- Non-Conductive
- Leaves no residue
- Conforms to Boeing D6-17487 Revision P
- Safe on plastics, electronic components and other critical surfaces*

* We suggest that you always test critical compatibility or call us for tech support.

Applications & Directions

ECOLINK 3005 Aerosol is designed to clean contacts, relays, and other critical electronic components. It is an excellent replacement for HCFC-141b contact cleaners with many of the same performance characteristics, and the added benefit of better plastics compatibility.

Point spray opening away from face. The innovative valve design in ECOLINK 3005 allows it to be sprayed in both an upright and inverted position. Spray surface to be cleaned until well saturated. The rapid penetration and evaporation of Ecolink 3005 will remove contaminants in a single application. Re-apply only if necessary.

Key Physical Characteristics

<u>Property</u>	<u>Typical Value</u>
Boiling Point	54° C
Color	Colorless
Flash Point, TCC	None
Odor	Ethereal, Faintly Sweet
Percent Volatile	100%
Dielectric Breakdown	20,500 volts ASTM D877
Solubility in Water	Slight
Specific Gravity	Approx. 1.527
VOC Content	0 grams/liter
Vapor Density (Air=1)	Approx. 7.0

Safety and Handling Precautions

Good ventilation is a must. Use solvent resistant gloves if skin contact is likely and safety glasses with splash protection. All used and unused product should be disposed of in conformance with local, state and federal regulations. Keep out of reach of children. Treat this chemical with respect and follow all MSDS instructions.

Packaging

<u>Name</u>	<u>Part No.</u>	<u>Packaging</u>	<u>National Stock No.</u>
Ecolink 3005	1289-12	12x12 oz Aerosol	6850-01-533-3299
