

Description

A new concept in aqueous cleaning, PINNACLE removes the toughest industrial grease, grime and other soils from virtually any surface without butyl cellosolve, glycol ether, caustic, acid or other hazardous ingredients.

PINNACLE has an extremely low volatile organic compound (VOC) level and a neutral pH. Its environmentally preferred formulation simplifies water treatment and spent cleaner disposal. It is economical and completely free rinsing. It can be used safely on any surface that won't be harmed by water.

Benefits

- Low VOC
- Biodegradable
- Non-allergenic
- Neutral pH
- No butyl or glycol ether
- Phosphate free, no caustics or silicates
- No SARA or RCRA listed ingredients

Applications

Pinnacle is highly effective in a wide range of aqueous cleaning applications. It can be used in immersion cleaning, ultrasonic cleaning, pressure washing or diluted as a handwipe cleaner.

This cleaner is especially effective in automatic scrubbers for cleaning greasy, oily plant floors, aircraft hangers and industrial facilities. It is a superior food processing detergent used to remove heavy build ups of protein fats and greases from walls, floors and equipment in food processing plants operating under USDA supervision.

Key Physical Characteristics

<u>Property</u>	<u>Typical Value</u>
Initial Boiling Point	215° F
Color	Gold Liquid
Flash Point, Tag Closed Cup	None to Boil
Odor	Odorless
Percent Volatile	85%
Solubility in Water	Complete
Specific Gravity (H ₂ O=1)	1.02
Vapor Density	As Water
Vapor Pressure (mm Hg)	As Water
VOC Content	2 gm/liter
PH	7-8

Safety and Handling Precautions

Rubber gloves and safety glasses are recommended. Wash hands after use. If product is sprayed, Use with adequate ventilation. If spilled, mop up, wet vac, or flush to sewer with water. Dispose in sanitary sewer. Store in a cool area in closed container.

The MSDS contains complete environmental, safety and health data, which we urge you to read prior to using this material.

Packaging

<u>Product Name</u>	<u>Part No.</u>	<u>Packaging</u>
PINNACLE	0278-55	55 Gal Drum
PINNACLE	0278-5	5 Gal Pail
PINNACLE	0278-1	4 x 1 Gal Case
